ABOUT US

METADES DESIGN STUDIOS

Company History

Established in 2018, METADES is a Brand made with Experience.

After beginning as a proprietorship firm in 2018, its evolved into a Private Limited Company by 2022.

ABOUT US

Mission & Vision Statement

"Architecture Isn't Just a Play of Masses
Instead It's a Play of Senses"

As Designers we believe that defining a space is not just enough instead creating it with logical reasoning is a Need of The Hour. We have a Vision of infusing Architecture with Business Viability & Sustainability so that we can create products which are more Functionally Ethical, Economically Viable & Aesthetically Acceptable.

Principle

"Analytical thinking towards every Space"

Every space has its own identity and needs to be designed in a unique way. Like music every space has its own Composition, Rhythm, Balance, Pattern and Unity which needs to be taken care of while designing.

Furniture Manufacturing Portfolio

A still life composition featuring a wooden chair, a stack of books, a vase with lily buds, and a small wooden table. The scene is set against a neutral, light-colored background. The chair is a simple, modern design with a curved backrest. The stack of books is placed on a small, round wooden table in front of the chair. The vase is a tall, slender, light-colored ceramic piece with a textured surface, containing several green lily buds. The overall aesthetic is clean, minimalist, and natural.
